

## INVESTMENT OBJECTIVE

The FGP Preferred Share Fund (the “Fund”) aims to generate an attractive total investment return through stable income and long-term capital appreciation primarily through investments in preferred shares and other income oriented securities of Canadian, U.S., and international issuers. To achieve this, the Fund will invest in a diversified mix of income generating securities.

## INVESTMENT STRATEGY

FGP utilizes a multi-strategy approach, including security selection, sector allocation, and interest rate anticipation in the context of a long-term, value-oriented approach. The portfolio manager, supported by FGP’s research team, is responsible for security selection and portfolio construction within FGP’s diversification and risk control guidelines.

## PERFORMANCE OBJECTIVE

The Fund’s objective is to exceed the return of its Performance Benchmark over five-year periods.

## PERMISSIBLE INVESTMENTS

Eligible investments include publically-listed preferred shares, including securities convertible into preferred or common shares.

Eligible cash and money market investments include cash and demand deposits, short term debt securities of Canadian government(s) and corporate issuers including treasury bills issued by the Federal, Provincial or Territorial governments or any of their agencies; bankers’ acceptances, term deposits, commercial paper, the FGP Short Term Investment Fund, and any other evidences of indebtedness with terms to maturity of less than one year.

The Fund may use derivatives, such as currency forwards as permitted by Canadian securities laws, to hedge against potential currency fluctuations.

### Diversification and Risk Control Guidelines

The Fund has established guidelines to ensure the investments of the Fund are diversified. The assets of the Fund are invested in a prudent fashion with securities selected for their overall contribution to the investment objective of the Fund.

**Security Level Guidelines:** The Fund typically holds 20 to 75 securities, and the individual weight for each investment will vary based on FGP’s assessment of quality. Each issuer is limited to a maximum weight of 10% of the market value of the Fund. The top ten issues are limited to 60% of the Fund’s market value.

Investments in any single issue cannot exceed 15% of the total issue size.

The units of the Fund are issued and redeemed at the applicable net asset value per unit. The net asset value is determined daily at the close of each business day.

Net investment income and net realized gains on investments are paid to unitholders on a periodic basis as indicated. Distributions are made to unitholders of record at the close of business on the second last day of the month, pro rata to their holdings in the Fund as of that date.

Temporary variances from these investment policy guidelines will generally be corrected within 90 days.

\*The Fund incurs direct expenses for services provided by the Trustee, Custodian, Registrar and Auditor. The annualized expense ratio for the Fund for the most recently completed year is presented here. FGP does not charge management fees directly to the Fund.
